ALL cars will be scrutineered in the "Scrutiny Bay", any car not presented at the Bay by 9.45am may be excluded from the Event without refund of fee. ALL Competitors must present themselves to pre-event scrutiny in the "Scrutiny Bay: " prior to Scrutiny and produce a current CAMS Competition Licence, current CAMS Affiliated Car Club Membership Card and CAMS Vehicle Log Book (if issued).

Competing cars shall abide by Schedule A & Schedule B of the current CAMS Manual of Motor Sport; irrespective of whether you have a log book notwithstanding these requirements; cars registered for unrestricted road use shall not, when competing in a Multi-car/Single-car speed events, be required to comply with the provision of sub-sections 3,5,6,8,9,11 & 14 of Schedule B of the current CAMS Manual of Motor Sport. All go-pro's and camera's must be scrutineered prior to entry onto the circuit, live streaming of this Event is not permitted.

16a. Road registered vehicles need no special preparation other than an approved fire extinguisher & be fitted with two separate fasteners on any front opening (Schedule B – Reg 1) & on each throttle be fitted with a return spring (Schedule B Reg 7) & a blue triangle battery marker & all forward facing glass lights be covered with a transparent adhesive film. The fire extinguisher (Schedule H of the current CAMS Manual of Motor Sport) must be within easy reach of the Driver whilst in a harnessed position. Fire extinguishers need to be serviced every three years. Tyres are subject to Scrutineer's approval, spiked or studded tyres are prohibited.

Safety Cage Structure is compulsory for all open vehicles and highly recommended for all other vehicles. However these can be of a CAMS non-compliant structure provided it is not deemed unsafe by the Chief Scrutineer. ALL Drivers MUST wear a CAMS approved helmet whenever on the circuit, (Schedule D of the current CAMS Manual of Motor Sport) seat belt or harness, goggles/visor (where applicable). Drivers must wear flame resistant clothing from the neck to wrist to ankle and including suitable footwear whenever on the circuit.

All apparel must comply with Schedule D of the current CAMS Manual of Motor Sport. Cars that have been significantly lightened, as determined by either the Chief Scrutineer or the Clerk of the Course, will compete in a Racing Class.

All Safety Equipment must conform to NCR 141.

A blue triangle indicator is required for battery location or "kill" switch on ALL competing vehicles. See Speed Events - Standing Regulations. Working brake lights are COMPULSORY on all vehicles for Supersprints. Any car suffering damage or mechanical failure during the event, must return to Scrutiny for inspection prior to continuing. Cars considered unsafe or unsuitable will be precluded from further competition. Cars must conform to maximum noise level of 95dB at 30 metres from the track edge.

Should any competitors car leave the Mallala Motor Sport Park paddock after being scrutineered they will be required to be re-scrutineered before being allowed back on the circuit.

17. SAFETY PRACTICE: 9.00am – 9.15am

This is an untimed safety practice for drivers who have applied on their entry form and have cars which require bedding brakes or engine running in. Cars will need to have been through Scrutiny.

NO CARS WILL BE ACCEPTED ON THE DAY.

18. FIRST TIME COMPETITORS SAFETY BRIEFING: 9.00am

All new Competitors – first time "Sprinters" at Mallala Motor Sport Park including licenced circuit racers will be required to have a safety Drivers briefing at 9.00am near the scrutiny shed prior to being allowed onto the track for practice laps following this briefing. **Your car must have been through Scrutiny before the briefing.**

18a. FIRST TIME COMPETITORS PRACTICE: 9.15am – 9.30am

Timed practice will be available for first time Competitors and Drivers with permission from Clerk of the Course during this time. Drivers will be allowed onto the circuit only after they have passed Scrutiny. There will be up to eighteen cars on the track at once with the number of practice laps being determined by the Gate Marshall according to a number of factors. The Gate Marshall's decision is final.

NO COOL DOWN LAPS IN PRACTICE.

19. DRIVERS BRIEFING: 9.45am

A COMPULSORY Drivers Briefing will be held at the Scrutiny Bay. All drivers will be required to sign the sign on sheet. Any Driver failing to attend this briefing may be excluded from the Event. In Super Sprint all Drivers are paired off, they have been allocated a group and grid position available from the website or Scrutiny bay on the day. The green, red, yellow, black and chequered flags will be used during the event; their uses will be explained at the briefing.

20. THE EVENT: 10.15am - 4.30pm

This Event is a Super Sprint and will comprise of up to eighteen cars of similar lap times in each group, paired up and stationary on the start line with engines running after a 3/4 lap warm up. The first pair of cars will start when the starter's flag drops and the second pair of cars will start as the flag drops again and so on. The starter will be situated in the starter's podium on drivers left and will indicate to the pairs to start. Drivers must indicate their intention of an individual start as they approach the start by

raising their hand. There will be four (4) timed runs of five (5) laps with a lunch break. Time permitting a fifth untimed run & will be advised at lunch time.

The first group of cars will have an optional cool down lap after their run to cool down brakes / turbo's which must be driven at approx 70% of sprinting speed otherwise their optional cool down lap will be cancelled; then enter the pits via the pit entry road.

The number of laps per run will be advised at Drivers Briefing and may be changed by the Clerk of the Course depending on the conditions of the day.

A board with an "IN" arrow & Black Flag with the Car Number will be shown at Start/Finish if there is a need to bring a car into the pits for any reason. The Driver must obey this sign immediately unless it is considered unsafe to do so on that lap. However the Driver must slow down and get off the competition line, failure by a driver to comply with the flags may result in exclusion from the event.

21. TIMING:

Timing shall be affected by the Time Keeper situated on the left side of the start/finish line in "Race Control". The start/finish line shall be the controlled line for timing purposes. Each lap or run will be measured by Dorian timing system and/or electronic equipment or hand-operated stop watches. Dorian Timers are required for all cars. Car numbers should be on the left hand side of the car and if not easily readable or Dorian timer not registering– **no time may be recorded.** Each competitors timing will not commence until the car passing over the start/finish line. The Timekeeper is Judge of Fact for start & finish.

No Competitors timing equipment to be within 20 metres of the start/finish line. If found time equipment will be removed.

PLEASE PLACE DORIAN NUMBER ON MEECAMs (under my car details)

22. AWARDS:

Trophies are awarded at the end of the year to financial members of the MSCA. This is for class Winners, M.S.C.A SPRINT DRIVER and SPRINT CHAMPION trophies.

You must compete in four out the five rounds and be a financial member of the MSCA to be eligible.

23. CLASSIFICATION OF CARS:

All competing vehicles will be categorised into the following classes:
Final classifications at the discretion of the eligibility officer.

Supercharged/Turbocharged cars will be classified as per General Requirements for Cars & Drivers, Classification of Cars (cc x 1.7) with Rotary engines (cc x 1.8) eg a 2000cc Turbo car becomes 3400cc and must be entered in the over 3001cc Class.

32. COME AND TRY EVENT

These rules are in addition to the preceding clauses and apply only to participants registered for Come & Try event. The Come & Try will be conducted within the main event but can be considered a separate event operating under these rules, where these rules vary from the above. Come & Try are “non-competitive” Timing will not be recorded.

It is a condition of entry to this event that all reasonable requests made by officials or instructors must be obeyed at all times. Failure to do so may lead to exclusion.

This event will be conducted under the following conditions:

- a) Participants must make their way to the Come & Try Office by no later than **7.40 a.m.**
- b) **SCRUTINY:** Prior to entering the circuit all vehicles will subject to a check or “Scrutiny”. For Road Registered vehicles this will be a check of general roadworthiness, particular emphasis will be given to the condition of tyres, play in the steering, low or spongy brake pedals, operable brake lights, the secure mounting of batteries, the secure mounting of both the driver’s and the passenger’s seats and the condition of both front seat belts. Cars must also be free of loose objects in the cabin or boot. Road registered vehicles are encouraged for this event, however if you are using a non-registered vehicle or sharing a vehicle that is entered in the competition that vehicle must comply with the all requirements of Clause 16 “Vehicle Requirements and Scrutineering”.
- c) **APPAREL:** Participants and any passenger or instructor in their car must at all times comply with Schedule D of the CAMS manual. For the purposes of this event this means clothing made from material such as cotton or wool, **not** synthetic material such as nylon, which extends from the neck to wrists to the ankles. Shoes must fully enclose the feet and have a leather upper. This apparel must worn at all times you are on the circuit but may be removed at other times such as training sessions. When instructed to do so a Helmet complying with Schedule D must be worn, the minimum standard being AS1698. A “Dorian” is not required.
- d) **ENTRIES:** A maximum of 30 entrants applies on a first come first served basis. Entrants will be divided into two groups with a maximum of 15 per group. A maximum of 15 participants will be allowed on the track at any one time. This event is open to novice entrants only. Novices are first timers to a race track.
- e) **GENERAL FORMAT:** The first two runs will be 10- 12 minutes and will have an instructor allocated to sit in the car as a passenger giving advice and will be un-timed.
 The 3rd and 4th runs will be 12 minutes and entrants will drive solo and will also be un-timed.
 In all 4 runs, no overtaking is permitted in corners with overtaking allowed on the straights as outlined in the first information session, and then when only safe to do so.
 Before the first run an education session of approximately 40 minutes will be held to introduce you to track activities and “what to do on the track”. Attendance is mandatory and entrants must sign the attendance sheet. Entrants who fail to attend and sign the attendance sheet will not be permitted to resume the event.

Between runs one and two, and runs two and three, two additional education sessions of approximately 30 minutes each will be conducted in a location to be advised on the day. Attendance is mandatory and entrants must sign the attendance sheet. Entrants who fail to attend and sign the attendance sheet will not be permitted to resume the event.

Each entrant will be allocated an instructor or "Buddy" for the day who will act as a mentor.

- f) ENTRIES:** The entry fee of \$125 includes the event entry fee, licence fee and the tuition for the day. (NO discounts will be given for entrants who already hold a licence). Should the entrant hold a level 2 CAMS speed license the level 1 license will not need to be purchased? Purchasing a level 1 license waives the need to be a member of a car club. If within 6 months the participant chooses to purchase a CAMS license a \$25 discount will apply upon production of the Level 1 license.
- g)** Entries will be refunded upon cancellation of the event, or held in credit upon the participant advising the Event Secretary of his/her inability to compete by 7th March 2018
- h)** Participants are reminded of Clause 25 regarding "Prohibited Substances"
